PRIVILEGED AND CONFIDENTIAL - FOIA EXEMPT - DO NOT RELEASE

Gary, my apologies on this. I was focused on the Sol Lynn Clear Channel access matter and several matters with CRI and Norphlet Chemical in the last part of September and this request went unattended. Then I took leave from 10/2 thru 10/19, and it slipped from my mind. I reviewed it today, and it looks fine. My recollection is that this has to do with Mr. Kagan, is that right? Anyway, go ahead with it. If this is resolved, is that the end of the access concerns for Sol Lynn? See your attached file below.
